Beyond Curriculum 2014

Key principles that will underpin our curriculum at Ashton  
reflecting the personalised needs of our pupils

We aim to

- **Widen our children's horizons**
- Encourage them to broaden their outlook and understanding
- Develop their skills to become a global citizen
- Make them appreciative

- **Develop effective communicators**
- Promote good listening skills
- Develop effective social skills
- Give them opportunities to verbalise their thinking
- Give them opportunities to explain and present their ideas clearly

- **Develop "Successful Learners"**  
by consistently teaching, modelling and reflecting on five key skills;  
namely the need to:
- Focus
- Be organised
- Believe in myself
- Co-operate
- Reflect
