

PFA Parents & Friends Association

Friday 10th November

Dear Parents, Guardians, Grandparents & Friends of Ashton First School,

We hope you've all had a good first half term and that if you have children new to the school they have settled in happily.

We are writing because it is time to elect Committee Members for the PFA, Parents & Friends Association. The PFA raises funds to help school provide our children with experiences and equipment they would otherwise be unable to afford. For example, a bright blue running track has just been laid around the school field which will allow the children to have access to the field all year round, encourage them to be active and add another dimension to their PE lessons. The track and a large interactive timer have been paid for entirely from PFA funds. New bike and scooter racks are also on their way and this term each class teacher will have £250 to spend on things they feel would benefit their class.

If you would like to find out more about the PFA, how you can get involved or feel you could take on a Committee Role or act as a Year Representative, there will be a **short meeting** after Family Assembly, in the School Hall on **Friday 17th November**, please do come along.

If you are interested but cannot make that meeting you can talk to one of us, Sally Guibert or Julie Birch, in the playground. Ask your class teacher to point us out if you are unsure who we are! One of us is usually there. Alternatively if you do not drop off or pick up from school you can leave your name and contact details with Mrs Grant in the school office and we'll get back to you.

Thank you, we look forward to seeing those of you that can make it on Friday 17th November.

Kindest regards,

Sally & Julie
Joint PFA Chairpersons

I am interested in a PFA Committee Role/Year Rep Role/Helping out but cannot make it to the meeting.
