

Acorn's Home -schooling newsletter

Issue 3

What lovely adventures you have been having this week and here are photos of just a selection of them. Scarlett and Albert have been to see the bluebells in Beckford woods. Rupert made a sword and shield like St George. Tabitha found a blackbird's egg. Fraizer did a minibeast hunt. Lottie bathed her baby doll. Thomas made an art wall. Sienna put daisies and water in old egg shells and froze them. Benjamin dressed up as Captain Blackbeard in the pirate ship. Florence has made daisy chains and so have Josh and Jasmine. Annabel made a Christopher Columbus boat with Millie. Josh has been busy measuring his shadow. Ava has made towers and counted some very big numbers of blocks. Porsche planted some seeds. Ethan toasted marshmallows. Beth made a 'brainflake' line measuring 32.5 feet. Aubrey dressed as an Easter bunny. Darcey has been riding. Cooper made a dandelion chain necklace for Peppa Pig. Dorrie made a camp. Connor went up the hill and he has lost 2 teeth. Willow also lost a tooth and she has been playing with a green screen at home. Edward has been finding out about St George. Nell and Eddy have been baking cakes for the homeless.

In school there are sunflowers growing in the boat from the seeds which were dropped by last year's flowers and we have been busy in the afternoons planting up the vegetable beds and putting some grass seed down on the bare patches on the field. Have a lovely weekend. With love from all the Acorn Team

What
made
you
so
happy
today
Hill

Hill

This
is
the
best
time
to
be
a
child
because
there
are
so
many
fun
things
to
do

Challenges for the weekend :

1. See if you can be a nature detective and hunt for signs of animal activity in your garden.
2. Make a den for your teddies to have a sleepover in.
3. Help mum or dad to get a job done around the home.
