

Hawthorn's Home-Schooling Newsletter

Issue 2

Hello again, Hawthorn children and families. We have been overwhelmed by all the lovely emails and photographs we've received from you this week. You've sent us so many fantastic examples of high quality work, but also shown yourselves 'at play' doing a wide range of activities. You really are an incredibly creative, active, friendly and kind group of children, and we miss you all. We've made space for more of your photos this week so that you can see each other's smiling faces. We'll continue to keep in touch over the next couple of weeks, but in the meantime, enjoy the Easter break and don't eat too much chocolate! Happy birthday to Theo - can you guess what else has happened to him this week? All the best, much love, The Hawthorn Team xx

Challenges for the weekend:

1. Say hello to a friend - write a letter, speak on the phone or FaceTime them ...
2. Create an alphabet of items (fruit, toys, games, animals) - how many you can think of?
3. Help your parents with their daily chores - choose something you've never done before.
