

# Oak's Home-schooling Newsletter

Issue 2

Hi Oak class. WOW! So many photos and emails to share what you have been up to this week. I could fill a whole page with just photos. You have certainly impressed us with the creative activities that you have been doing and we have been especially impressed with the number of you telling us that you have timetables to keep you organised. It's strange to think that we are coming up to the Easter holidays but we hope that you still manage to eat plenty of chocolate. I am in school next week so I might see one or two of you then. In the meantime, Mrs Thornton will be helping to reply to lots of your emails.

Keep smiling - We hope to see you very very soon, love from Mrs Thompson, Mrs Thornton and Mrs Sidney

## Challenges for the weekend :

1. Make somebody in your family smile.
2. Make the most of the sunshine and do an activity in the garden or go for a walk.
3. Try making something - it could be a model or some cooking.
