

It has been lovely to welcome back the sunshine this week and lots of you have reported that the seeds which you have planted have now started to grow. Following on from Wilbur Bear's adventures, there have been a lot of parachuting teddybears this week and Fraizer's teddies got to go on a home-made teddy sized zip wire as well! You have done some great caterpillar measuring and making - using pipe cleaners, playdough, plasticine, blue tac and Benjamin made some tasty ones using cheese scone mix. Many of you have been inspired by Mrs Shiels' forest school challenge and have been out identifying butterflies and lots of lovely bugs have been created too. It has been a beautiful week to explore the great outdoors. Edward went up the hill for the longest walk he has ever done, Rory found a fox's skull on an adventure in the woods and Scarlett put on her school uniform for her walk this week.

Many of you have found out information about VE Day and have made your own bunting ready for Friday's celebrations and on Saturday it's a special day for Fraizer and we all wish him a very Happy 4th Birthday!

We all hope you have fun and enjoy a lovely weekend. Stay safe!

With love from all the Acorn Team x

Challenges for the weekend :

1. Help to make a picnic tea to enjoy on your front step or garden for V.E. Day on Friday.
2. Perhaps you could dress up in red, white and blue or 1940's style clothes.
3. Count how many Union flags you can spot over the weekend.
